Innovative Testing & Evaluation Services offers a choice of tests, locations, and dates for students in grades 1-12. Group test results will be mailed within three weeks of test date. After students complete testing, parents are invited to compare their child's answers to test booklet answers.

Choosing the test that meets your need and philosophy of education:

- **TerraNova Survey (TNS)** group testing for grades 2-8. TNS consists of filling in multiple-choice "bubble" answers for state required subjects: reading, language arts, and math. Students are asked to bring a book to read if they finish a section early. Calculators are permitted, but not necessary for grades 5-8. Test time: 2.5 hrs. Fee: \$35 prepaid; \$40 at the door. *Ask about parent privately administering the grade 1 test.*
- **TerraNova Plus (TNP)** The parent rents and privately administers this optional test to students in grades 1-8. (Parent picks up TNP at a testing site and mails the completed test back to Shelly.) *TNP* measures achievement in spelling, word analysis, vocabulary, mathematics computation, science and social studies. Although the homeschool law **does not** require these subject areas, *TNP* gives added breakdown of the student's learning levels. Test time: 2.5 hrs. Fee: \$15 prepaid; \$20 at the door.
- **Woodcock Johnson Achievement Test (WJIII)** for students in grades 1-12. Students start with their basal level and progress until they surpass their level of proficiency. WJIII consists of a comprehensive collection of tests measuring achievement levels in reading, spelling, math, and punctuation/capitalization sections. It is essential for students to be able to follow precise instructions and to understand the reading section is timed. Test time: 60-70 min. Group testing fee: \$45 prepaid; \$50 at the door.

Please note: for individual WJIII appointments, at the Taylor residence (270 South York St, Etters, PA 17319), please contact Shelly directly. Individual testing fee: \$48 prepaid. Two or more students tested at the same time: \$45/student.

- **Peabody Individualized Achievement Test- Revised (PIAT-R)** for individual students in grades 1-12. The PIAT-R provides in-depth testing compared to the TNS or WJIII. Students start with easy concepts and progress until they surpass their level of proficiency. The PIAT-R is not timed. However, students should "finish in a reasonable amount of time," usually 60-75 minutes. Test covers five oral sections: General Information, Reading Recognition, Reading Comprehension, Mathematics, Spelling, and one short Written Expression section. Contact Shelly directly to schedule a one-on-one PIAT-R appointment at the Taylor residence (270 South York St, Etters, PA 17319). Fee: \$65 for students Shelly evaluates; \$70 for students Shelly doesn't evaluate.
