Student Name:

Year of Graduation:

The homeschool law requires the following subjects to be taught between grades 7 and 12. On the blanks provided, write the grade as they are completed.

Start recording in 7th grade:

- | | |
|---------------------|--|
| _____ Geography | _____ General Math |
| _____ Civics | _____ Algebra |
| _____ World History | _____ Geometry |
| _____ History of US | _____ Art |
| _____ PA History | _____ Physical Education |
| _____ Music | _____ Safety Education including fire safety |
| _____ Health | |

Between grades 9 and 12, the homeschool law requires the following number of units (years) of each subject listed below to be taught between grades 9 and 12. Circle the subjects you completed starting in 9th grade and each year thereafter.

English	1	2	3	4
Math	1	2	3	
Science	1	2	3	
Social Studies	1	2	3	
Arts and Humanities	1	2		

If you attended public (which includes cyber) or private school, please bring school transcripts along to 11th grade evaluation.

The homeschool law requires the above information. You can do more, but not less. Plan well if you are going onto higher education. Ask prospective colleges what they require. Quality courses, solid grades, SAT scores, community service, references, all play a part.

Thank you for allowing me to have a part in your education.
