Innovative Testing & Evaluation Services is offering TerraNova standardize testing for students in grades 3 through 8. Group test results will be mailed within three weeks of test date. After students complete testing, parents are invited to compare their child's answers to test booklet answers.

TNS fall testing allows students to take the test level of last grade completed. (Example- 3rd grade student would take the 2nd grade test.)

TerraNova Survey(TNS) consists of filling in multiple-choice "bubble" answers for State required subjects: Reading, Language Arts, and Math. Students are asked to bring a book to read if they finish a section early. Calculators permitted, but not necessary for 5th through 8th grades. Test time-2 .5 hours. Fee: \$35 preregistered & prepaid; \$40 preregistered & paid at the door.

Also available-parent rents and privately administers optional TerraNova Plus (TNP). Parent picks up TNP at testing site and mails completed test, and answer sheet, back to Shelly. TNP measures achievement in Spelling, Word Analysis, Vocabulary, Mathematics Computation, Science and Social Studies. Although the homeschool law **does not** require these subject areas, TNP gives added breakdown of the student's learning levels. Test time: 2.5 hours Fee: \$15 prepaid; \$20 @door.

Please note:

Woodcock Johnson Achievement Test (WJIII) and Peabody Individualized Achievement Test- Revised (PIAT-R) testing will be offered in the spring. **Spring EVALUATIONS will be available at six convenient locations.**
