

Shelly Taylor's  
INNOVATIVE TESTING AND EVALUATION SERVICES

## HIGH SCHOOL PLANNING FORM

Keep on file and submit to Shelly at your 11<sup>th</sup> grade evaluation.

Student Name: \_\_\_\_\_

Year of Graduation: \_\_\_\_\_

The homeschool law requires the following subjects to be taught between grades 7-12. On the blanks provided, write the *grade year* the subject was completed.

For transcript purposes, include *letter or percentage* grade for subjects completed during grades 9-12.

Start recording in 7<sup>th</sup> grade:

_____	_____	Geography	_____	_____	General Math
_____	_____	Civics	_____	_____	Algebra
_____	_____	World History	_____	_____	Geometry
_____	_____	History of US	_____	_____	Art
_____	_____	PA History	_____	_____	Physical Education
_____	_____	Music	_____	_____	Safety Education/ fire safety
_____	_____	Health			

Between grades 9 and 12, the homeschool law also requires the following number of units (years) to be taught for each subject area listed below.

Starting in 9<sup>th</sup> grade, circle the "units" you completed for each required subject area:

English	1	2	3	4
Math	1	2	3	
Science	1	2	3	
Social Studies	1	2	3	
Arts and Humanities	1	2		

### PLEASE NOTE:

The homeschool law requires the above information. You can do more, but not less. Plan well if you are going onto higher education. Ask prospective colleges or employers what they require. Quality courses, solid grades, SAT scores, community service, references, internships etc. all play a part.

Thank you for allowing me to have a part in your education.
